### **Entry Requirements**

- Artists must demonstrate a keen understanding of current contemporary art practices.
- Artists must fill out the entirety of the Entry Form found on the homepage of our website and send it back to us in full. Artists who do not fill out the full information section will not be eligible for selection.
- Artists must provide a high-resolution image of their work in the submission email to be considered (JPG image, 300DPI Maximum file size: 3MB. Any application with image files larger than 3MB will not be accepted). These images may be attached via email, embedded into the Entry Form, or sent via WeTransfer.
- Artists may submit no more than three individual works in their submission.
- These pieces must be the artist's original work.
- All works submitted must be display-ready. Any equipment that is specific and/or integral to the display of the artwork will need to be provided by the artist. It is not essential for the piece to be framed, however the artist must have a specific hanging plan that they outline

in their submission. The selling price should include the price of the frame.

- We will not be charging commission on this Open Call - therefore any potential buyers will be put directly in contact with the artist via email, and all transactions will be made privately between artist and buyer.
- The submission deadline is **Saturday the 1st of April**. Artists must have their work, ready for display, to drop off on site at 24 Mellifont Avenue on the **6th and 7th of May** between the hours of **10am and 12pm**.
- After the run of the exhibition (4 weeks), we ask the exhibiting artists to collect their works on the **8th and 9th of July** from **12pm-2pm**, and no later.
